THE INDEX IN THE FRONT IS BY STATE & THEN BY COUNTY NAME. THE SOLDIERS ARE LISTED IN THE COUNTY THEY ENLISTED FROM. BECAUSE THE SOLDIERS DIED OVERSEAS, MOST OF THE OBITUARIES WILL BE IN NEWSPAPERS BACK HOME MONTHS OR YEARS AFTER A SOLDIER DIED. MOTHERS OR WIDOWS THAT WENT TO EUROPE TO VISIT GRAVES, PROBABLY NEEDED A PASSPORT & HAD TO SUBMIT A BIRTH CERTIFICATE TO GET A PASSPORT. BLANK PAGES ARE MISSING PAGES BEFORE MOST STATES. ACTUAL SERVICE FILES ARE AT THE FEDERAL RECORDS CENTER IN ST. LOUIS, MO.. SOME OF THE MOTHERS & WIDOWS MAY HAVE REMARRIED. THERE ARE 11,440 SOLDIERS NAMES IN THE THIRD COLUMN. LETTER OF TRANSMITTAL

WAR DEPARTMENT,
Washington, December 6, 1929.

The SPEAKER OF THE HOUSE OF REPRESENTATIVES.

SIR: Pursuant to the directions contained in section 3 of the act of Congress approved March 2, 1929, entitled "An act to enable the mothers and widows of the deceased soldiers, sailors, and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries," an investigation was made for the purpose of determining (1) the total number of mothers and widows entitled to make the pilgrimages, (2) the number of such mothers and widows who desire to make the pilgrimages, (3) the number who desire to make the pilgrimages during the calendar year 1930, and (4) the probable cost of the pilgrimages to be made.

In making this investigation an effort was made to locate all of the mothers and widows who are entitled to the benefits of the act and to ascertain their wishes. Letters were written to the relative or person who authorized the burial in the cemeteries of Europe of each deceased soldier, sailor, and marine now interred in Europe, requesting information as to the name and address of the mother or widow if there be such. Approximately 40 per cent of these letters were returned by the post-office officials, due to the fact that they could not be delivered. All of these cases were then referred to the Veterans' Bureau and the names of the persons who are drawing the adjusted compensation or insurance were obtained and letters written to them. In addition to the efforts of the War Department to locate all the beneficiaries of the act, chapters and posts of veteran associations and other patriotic societies, as well as many individuals and the press, have been active in disseminating information regarding the pilgrimages, so that it seems reasonable to believe that the matter has been brought to the attention of all persons who are entitled to the benefits of the act.

Replies have not yet been received to all letters sent out, and in many cases the replies indicate that the mothers and widows who are entitled to make the pilgrimages are uncertain as to whether they desire to make the pilgrimage and as to the time when they desire to make it. This will necessarily result in changes being made in the results of the investigation as submitted in this report.

On November 15, 1929, the investigation showed the following results:

(1) Total number of mothers and widows entitled to make the pilgrimages, 11,440.

(2) Number of such mothers and widows who desire to make the pilgrimages, 6,730.

(3) Number of such mothers and widows who desire to make the pilgrimages during the calendar year 1930, 5,323.

(4) Probable cost of the pilgrimages to be made, $5,653,200.

In arriving at the probable cost of the pilgrimages to be made, consideration was given to the fact that the pilgrimages are to be made at the expense of the United States under the conditions set forth in section 2 of the act. The result reported above is the estimate of the probable cost of all pilgrimages, regardless of the year in which they are made. It is based on an estimate that 6,730 women will make the pilgrimages, at an estimated cost of $840 each. An estimate of the funds required for the conduct of the pilgrimages during the fiscal years 1930 and 1931 has been prepared and will be submitted through the Director of the Bureau of the Budget to Congress.

For the convenience of the Congress, a list as of November 15, 1929, showing the names and addresses of the mothers and widows who are entitled to make the pilgrimages is inclosed herewith. This list is classified to show those who definitely desire, or do not desire, to make the pilgrimage, those who desire to make it in 1930, those who desire to make it at some later time, and those who have not definitely decided whether or not they desire to make the pilgrimage. For easy reference the names are arranged on the list by States and counties.

A copy of this report has been furnished the President of the Senate.

Respectfully,

PATRICK J. HURLEY,
Acting Secretary of War.
